Attn: Jason & Community Garden Team

Dear Jason & the Community Garden Team,

Thank you so much for the generous donation of fresh produce to our Food Bank this month. We truly appreciate having fresh vegetables to distribute to the Marvine-Pembroke community.

The Food Bank continues to be very vital program offered to the residents of the Marvine-Pembroke neighborhood and surrounding communities. Just to give you an idea of the ongoing need, we served 218 families in June and 187 families in July. Families accessing the pantry are given items such as canned goods and non-perishables, as well as refrigerated items such as fresh eggs, juice, produce and lunch meats.

We are so grateful to have your support because without the generosity of our neighbors, Northeast Ministry would be unable to provide the programs and services that are so important to our clients. Thank you again for the impact you have on this community!

Sincerely,

Paula A. Johnson
